

# PAS2021 Virtual

Faced with COVID-19 pandemic challenges including travel restrictions and social distancing, the Pediatric Academic Societies (PAS) Meeting will be 100% virtual in 2021. We are committed to providing the high-quality research and knowledge that physicians, researchers, and educators expect from PAS in a new way. Our role in uniting the global pediatrics community in its mission to improve the health and well-being of children worldwide is more important than ever.

## Frequently Asked Questions

### What can attendees expect from PAS 2021 Virtual?

Attendees will be given access to a virtual site where they will view all content in one spot. Sessions will be a mix of live-streamed events or recorded with live Q+A and will be offered on-demand so viewers can watch at their own pace and not miss presentations. The Virtual exhibit hall, posters, and networking will also be built into the schedule. For the first time ever, PAS sessions will be recorded and available post-meeting to all attendees.

### What are the dates of PAS 2021 Virtual?

We expect to offer sessions during the traditional PAS 2021 Meeting dates, April 28 – May 5, 2021, with additional sessions to follow these dates to alleviate the long-standing concerns with the heavily concurrent PAS schedule and to maximize convenience. Please check back for more updates.

### Can I resubmit my session or abstract from PAS 2020?

Sessions and abstracts can be updated and resubmitted as long as they haven't been published in manuscript form. Acknowledgement of previous presentation at a conference should be indicated during submission.

### Will CME / MOC credits be offered for the PAS 2021 Virtual?

Yes, CME & MOC 2 will be offered.

### When will registration open?
